

share, compare, become more aware

### **NiUG Mission Statement**

The mission of NiUG International is to provide a forum to advocate for, educate and connect users and vendors in the *iMIS* community.

**Bringing You the  
Knowledge and Tools  
to Succeed**

Providing education and community  
for **iMIS** users around the world

**Share... Knowledge  
Compare... Uses of iMIS  
Become More Aware ... of How  
You Can Make Your  
Organization Succeed!**

**NiUG International** is the largest independent, not-for profit, volunteer run iMIS user's group.

The purpose of NiUG is best stated by our motto: "**Share, Compare, Become More Aware**".

Started as a grass roots regional effort in the mid-90s, NiUG's core purpose remains to advocate, educate, and connect iMIS users, even as we have grown over the years into an international organization.

The key to this growth, and to the stability of NiUG is the input from our membership base and the leadership of our volunteer board of directors.

## **Knowledge Packed iMIS Conferences**

NiUG International hosts three conferences each year in various locations throughout the United States and Canada.

The format for two of the NiUG International conferences is two and a half days of training. The first day we offer full and half day concurrent training classes, followed by one and a half days of the User's Conference. The third NiUG International conference, named NiUG Discovery is held each September or October. The format for the NiUG International Discovery Conference is three full days of training. The first day we offer full and half day concurrent training classes, followed by two full days of the User's Conference. The User's Conference consists of several General and Breakout sessions on topical issues surrounding iMIS and related products.

## **NiUG Members Only Listserve**

NiUG now sponsors its own Lyris-based, independent, listserv for its members. This is a forum for discussing iMIS and iMIS-related issues. If your company is not already a member, you can sign up for a free 60 day trial membership on the listserv by visiting [www.niug.org](http://www.niug.org).

## **Additional NiUG Benefits**

24/7 access to our members only listserv where members and solution providers post various tips, tricks, questions and answers daily.

24/7 access to our website where members of NiUG can access:

Downloadable Crystal Reports  
Downloadable SQL Scripts  
Communicate for iMIS Templates  
Troubleshooting Guides  
and so much more!

NiUG Product Advisory Committee (PAC) - was developed to advocate for you, the user, back to Advanced Solutions International. The PAC has been a very important benefit to NiUG members, as they advocate for change and enhancements to the product.

Reduced registration fees at each of the NiUG conferences. Members receive registration discounts and are provided ample opportunities to network. So they can share, compare and become more aware.

Through the support of NiUG associate members, we are pleased to offer discounts on 3rd party products and services, all of which integrate with or complement iMIS.

NiUG Career Center - NiUG's new career center is just a click away! Search the resumes if looking for qualified iMIS users, post your resume, post a job opening and more!
